**RE: T-Mobile Central LLC, d/b/a T-Mobile (#8211) – 2007 Commercial
Mobile Radio Service Providers Annual Report**

Dear Mr. Evenson:

Again this year, the Wisconsin Public Service Commission (“the Commission”) has requested that T-Mobile Central LLC, d/b/a T-Mobile (“T-Mobile”) file a Commercial Mobile Radio Service (“CMRS”) Providers Annual Report with the Commission by May 1, 2008.

Although T-Mobile has complied with Commission annual report and data filing requests over the past several years, we continue to assert the Commission has no authority to require the filing of a 2007 CMRS Providers Annual Report. T-Mobile objects to this request pursuant to W.S.A. Section 196.01(b)4 which expressly excludes CMRS providers from the definition of a “public utility”; and W.S.A. Sections 196.02 and 196.202 which both significantly limit the jurisdictional reach of this Commission to seek such information from CMRS providers.

Subject to and without waiving the objections and reservations noted above, T-Mobile hereby submits its responses to the CMRS 2007 Annual Report as requested via T-Mobile Central LLC (#8211) along with a request for confidential treatment of intrastate revenue information provided in the report. T-Mobile is submitting this information via electronic filing in accordance with the procedures provided by Commission staff. Please note that T-Mobile is requesting confidential treatment of its intrastate revenues on the basis that the information is proprietary and a trade secret and protectible from disclosure. T-Mobile also notes that the Commission has previously granted T-Mobile’s request for confidential treatment of such information in previous year’s reports.

If you have any further questions in this matter, please contact me.

Sincerely,

Teri Y. Ohta
Senior Corporate Counsel
